Match Format

A six-set match of no-ad 6-game sets—two women's, two men's, followed by two mixed doubles sets.

Rules

- Spin a racquet to determine who serves first with the losing team choosing the side to start play.
- Substitutions are allowed at any time in the match, although a player may not return to the same category (men's, women's, mixed) he/she has left. The remaining player after the substitution may not change either side or serving order.
- Change ends on odd games.
- If a game score is deuce (40-40), the receiving team decides who will receive the serve for the women's and men's doubles; the serve is received by the same gender for the mixed doubles.
- If a set reaches 6-6 games in the first or second sets, the tie shall be broken by a 7-point tiebreaker—first to 7 points, win by **1 point**.
- If the women's doubles or the men's doubles ends in a 1-1 set tie, the tie shall be broken by a 7-point tiebreaker—first to 7 points, win by **2 points**.
- If the mixed doubles end in a 1-1 set tie, the **#1** designated pair plays a tiebreaker—first to 7 points, win by **2 points**.
- All tiebreakers shall be played using the Coman procedure.

Scoring

One point is awarded for winning each category (1 point for women's, 1 point for men's, 1 point for mixed) for a maximum of 3 points.

In case of rain on match day, the League Manager shall contact the captains by Email and/or phone by 4:00 p.m. to cancel the matches.
